BE PART OF IT

A CELEBRATION
15 YEARS IN
THE MAKING

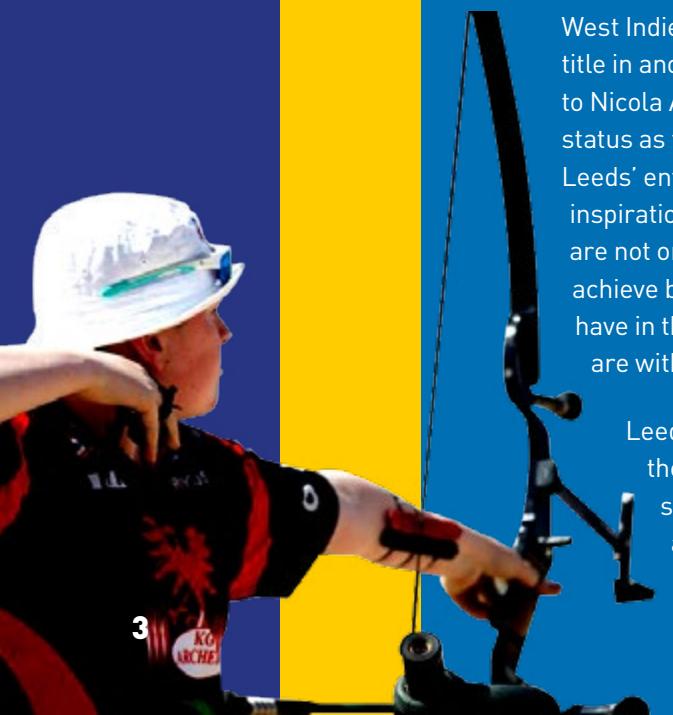

After an incredible 2017 awards where Leeds' athletes played an integral part of one of Team GB's best Olympic results ever, the challenge has been to see how sport in Leeds could match those achievements. But this year, Leeds athletes have continued to excel; from our most decorated Olympians down to our grass roots community athletes. The 2018 Leeds Sports Awards will showcase our city's sporting superstars and their achievements over the past year; from the FINA Diving World Series to the World Gymnastics Championships and everything in between.

As well as commemorating another fantastic year of sport for the city, 2018 is an important milestone for us at the Leeds Sports Awards, as we are celebrating our 15th anniversary since the inaugural ceremony in 2003. We are delighted to be returning to the iconic first direct arena again after a fantastic debut there last year, bringing local sporting heroes, VIP guests and event sponsors together with our sporting and business partners from across the city.

In the past 15 years, we have grown in size and stature alongside the sporting success in Leeds as grass roots investment into our local communities has nurtured young talent into world-class success stories. We hope to continue to be there along the way for the next 15 years as sporting success both on and off the field continues to thrive in Leeds.

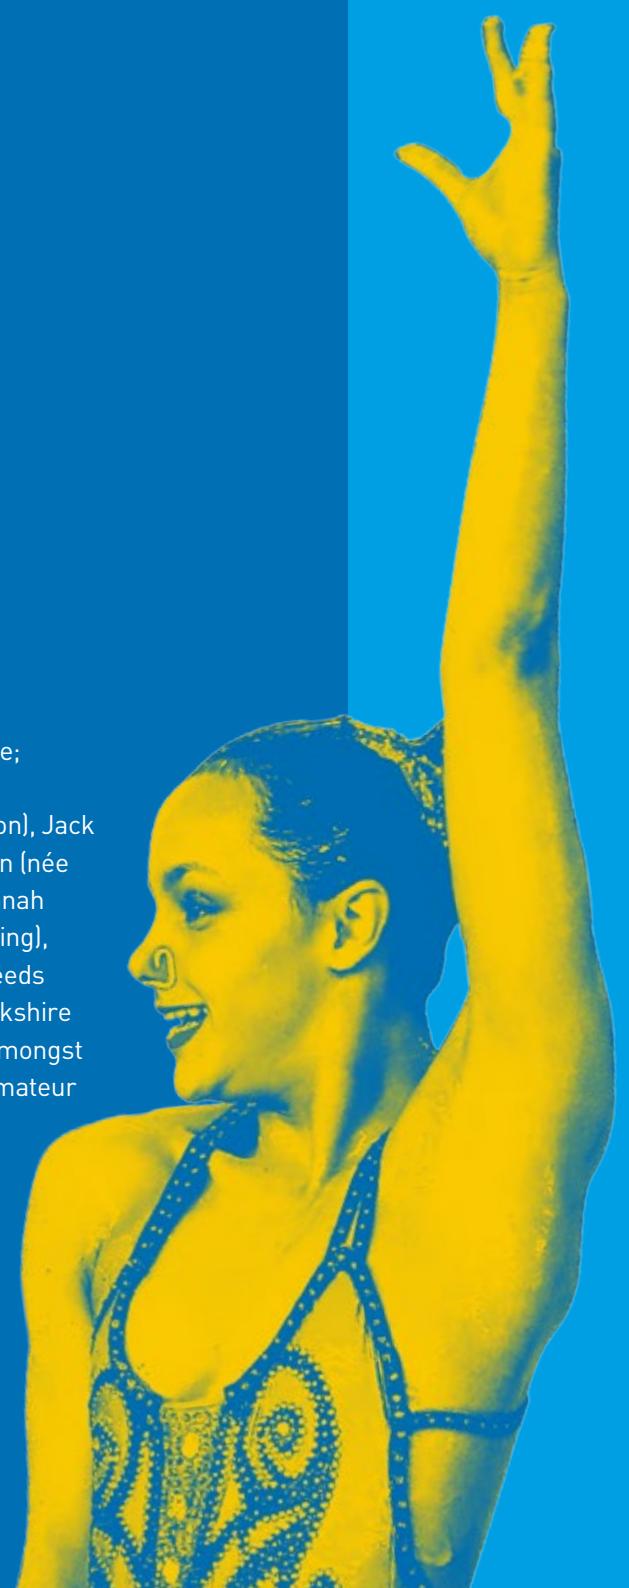

LEEDS SPORTS HEROES

The stories of sporting success have elevated Leeds' sporting superstars into the national spotlight. From Joe Root captaining England to test series victories against South Africa and West Indies, Leeds Rhinos challenging for the title in another stellar Super League season, to Nicola Adams fortifying her undisputed status as the world flyweight champion, Leeds' entourage of sporting wealth is an inspiration to us all. Leeds' sporting heroes are not only those athletes who strive and achieve but also the support network they have in the coaches and volunteers who are with them every step of the way.

Leeds Sports Awards recognises not only the elite athletes but also the continuous spirit and dedication of our coaches and volunteers who throw their support and motivation behind our sportspersons, cementing Leeds as the renowned sporting hub it is today.

Previous award winners include; Nicola Adams OBE (Boxing), the Brownlee brothers (Triathlon), Jack Laugher (Diving), Lizzie Deignan (née Armistead) (Road Cycling), Hannah Cockroft MBE (Wheelchair Racing), City of Leeds Diving (Diving), Leeds Rhinos (Rugby League) and Yorkshire County Cricket Club (Cricket) amongst many other professional and amateur athletes, teams, volunteers, coaches and more.

With our partners' support, Leeds Sports Awards can continue to shine the spotlight on upcoming and future achievers, alongside cherishing those who have already succeeded.

FIRST DIRECT ARENA

RETURNING FOR OUR BIGGEST YEAR YET

Last year, the first direct arena hosted our event for the first time, providing a fitting spectacle for a prestigious year in sport for Leeds. With our 15th year of the awards promising to be a grand celebratory occasion, we are thrilled to be returning to this landmark venue for another year. Voted at the Stadium Business Awards as the Best New Venue in the World in 2014, the arena's iconic stature amongst the Leeds skyline reflects how much the Leeds Sports Awards has developed and grown over the past 15 years.
